# STEP by STEP          How to Find Your Student Number

Here are some ways to find your student number.

## A. Your Welcome Email for eldregistration@camosun.bc.ca

1.  Check your email inbox for an email from eldregistration@camosun.bc.ca

2.  Your **Student ID = your student number** will be at the top of the body of the email.  It begins with a **capital "C"**.

If you can't find it, send them an email or call 250-370-4951.  You can leave a message on the machine and someone will retrieve it.  You can say:

> "I would like to set up my Camosun Domain account, but I can't find my student number.  Could you tell me my student number please?  My name is _____.  My phone number is _____.  My email address is _____ Could you contact me please?  Thanks."
